

Notes

- **Board approves budget request (*)**: Currently there is no budget envelope for Product-Com developments. Based on the experience in 2017, a budget will be proposed for 2018.

Definitions

- **Consolidated Roadmap**: the facilitators of the product committee maintain the consolidated roadmap across the various domains. The consolidated roadmap streamlines the development of interdependent issues
- **Domain Roadmap**: each separate track maintains an own roadmap (Data Quality & Privacy, UI & API, ...)
