## 2023-02-02 Start: 15:30 UTC End: 16:30 UTC

Participants: Matt, Pete, Martin, Leo, Steve, Yan, Arnold, Yolandi

## Main agenda

- Bug fixing carrier object agreement to make these fixes. Possible hotfix for most urgent work depending on the effort involved.
  - it's not advance searchable (<u>1204</u>)
  - Website should be mandatory use website from org unless there is a Carrier specific website (<u>1300</u>)
  - notifying facility owners about requests for association is missing (<u>1315</u>)
  - even org admins of facility owners can't approve carriers (1315)
- Renew PC terms. <u>The charter</u> states that "The PeeringDB Product Committee members serve a 2 years renewable term" and most members have served for 2 years now. This is a call for existing members to decide if they want to serve a second term.

Ratio Requirement		
Contract Requirement	✓ Not Required	-
Health Check	Private Only	ñ
	Required	

•

Contract Requirement field: Adjust language to "Agreement required"? - possible clarification for v3 of the API ( $\underline{625}$ )

- NANOG Hackathon (slides)
- Do we rate limit API writes? If we do, should we? create issue to manage high rates of <u>API writes</u>
- Agenda topics for NANOG?

Number	Title	Summary	Consent Finalized?
<u>1299</u>	Alphabetize simple search results	Organization names are not alphabetized in simple search output. This makes it harder to visually scan the list to find the entry you want when it is very long	Rephrase
<u>1308</u>	Deploy Google Analytics on www and docs	As title	√
<u>1313</u>	Improve email confirmation control - add 3 month option & maybe set new default value	<ol> <li>A tooltip letting admins know that a range of options is available</li> <li>An option for 3 months</li> <li>Possibly changing the default</li> </ol>	$\checkmark$

		from 1 week to something else	
peeringdb -py 72	output-format in cli does not seem to be working	An error is returned instead of the expected output	
peeringdb -py 74	Add Carrier Objects	As title	
<u>1321</u>	Organization Network Type - Access technology agnostic	As title	

## **Consent Agenda**

Non-contentious issues that can be agreed in a single vote. Members can ask for an issue to be placed on the main agenda if they want it to have more discussion.

Number	Title	Summary	Consent Finalized?
<u>1294</u>	OAuth2 flow fails to complete when using U2F Security Key	Bug in Oauth when using U2F	√
<u>1295</u>	Allow anonymous users to change languages	Remove the need for users to create an account and set language preferences before enabling translation	
<u>1300</u>	display website URL on carrier object	As title	
<u>1302</u>	Fix OpenAPI types where needed	Bug: "In the OpenAPI docs many of the boolean fields are listed as string"	
<u>1303</u>	Add headers to API requests	"Easy way to signal API version to consumers"	
<u>1307</u>	Google Analytics console errors with Firefox	"Google Analytics, presently on beta.peeringdb.com, produces console errors with Firefox 109.0"	
<u>1311</u>	Update Dependencies	"Update all dependencies to new major releases. This year includes Django 4.2 LTS"	
<u>1315</u>	issues when accepting / denying carrier presence requests	Bug: "only organization administrators are able to accept / deny carrier presence requests at their facilties"	√

<u>1316</u>	Duplicate content served via peeeringdb	www.peeringdb.com content is served via any names within peeringdb.com and this is penalized in search engine results	
<u>1317</u>	PeeringDB-client sync failure 429	Bug: running "peeringdb sync" results in "Exception: 429 Internal error: Too Many Requests"	
<u>1320</u>	Unable to access facility history - Server Error (500)	AC cannot see object history	Same as <u>1096</u>

## Informational

No action required. Members should be aware that these new issues have been agreed since the last meeting.

Number	Title	Summary
<u>1298</u>	Increase IPv4/6 prefix limits	Prefix limits will grow to reflect larger DFZs
<u>1301</u>	Cache result interval differs from documentation	Operations issue: "API cache generation is taking ~25 minutes now" instead of the 15 minutes in the documentation
<u>1314</u>	pdb_load_data command fails on Carrier resource	Add support for new objects
<u>1318</u>	Carriers is missing from Advanced Search	As left. Should be addressed through <u>#1204</u>
