

**2024-09-05 Start:** 15:30 UTC **End:** 16:30 UTC**Participants:** Jack, Grizz, Leo, Martin, Yan,**Apologies:** Arnold, Paul,**Main agenda**

- Retiring v1 search (see: [#1664](#)) - the underlying 'whoosh' code is no longer being maintained and we need to move off it. We should discuss how and when to retire v1 search.
  - Search [backend access update](#) (Grizz)
  - ElasticSearch [issues spreadsheet](#)
    - Focus on search issue for January 2025 release. Decide on retiring v1 search in February 2025 meeting (or online discussion).
- Security issues: add maximum password length and require mail addresses to be confirmed before setting up 2FA. (Leo)

Number	Title	Summary	Consent Finalized?
<a href="#">#1646</a>	Valid search syntax fails to return complete results as expected	ElasticSearch is not returning some valid results	YES
<a href="#">#1662</a>	Suggest a Carrier/Facility Presence Control	Make it easier to suggest a Carrier at a Facility <ul style="list-style-type: none"> <li>• Discussed a permanent opt-out option for those Carriers who don't ever want to be contacted</li> <li>• Discussed creating the feature for evaluation purposes and be prepared to remove it if it's not popular</li> <li>• Discussed "<a href="#">Lobby Directory</a>" as an alternative that does not require notifications</li> </ul>	NO

**Consent Agenda**

Non-contentious issues that can be agreed in a single vote. Members can ask for an issue to be placed on the main agenda if they want it to have more discussion.

Number	Title	Summary	Consent Finalized?
<a href="#">#1656</a>	IX-F importer: Consider notifications for address protocol inconsistencies	Only accept a protocol type when that's flagged as supported	CLOSE AS WON'T DO
<a href="#">#1658</a>	Net and ixlan keys missing in netixlan API response	Update documentation to properly reflect API behavior	YES
<a href="#">#1659</a>	API key cannot be used to retrieve IX-F import preview	API keys should be able to get previews of the IX-F import data	YES
<a href="#">#1660</a>	IX-F import requested in the Beta instance remains in the Queued state	Beta should import IX-F data in a similar way to production, so testers can ensure it is working properly	YES
<a href="#">#1663</a>	Display issue: approved by text in approval email	Mail should show the name or username of the account that authorized affiliation	YES
<a href="#">#1665</a>	Be specific and correct about login field case sensitivity in error message	Better wording on case sensitivity	YES
<a href="#">#1666</a>	Schedule reset of tutorial server database	Start with an empty database each time the server gets a software update	YES
